

AGENT REPORT

Town of Warren Inland Wetlands & Conservation Commission
issued on 3/16/2023 by wetlands agent

ON SITE INSPECTIONS:

1. **53 Curtiss Road (3/2)** Follow up with Billy Segalla regarding on-going site work. No work is currently taking place. Spa to be constructed in the spring and silt fence conditions to be inspected.
2. **85 Curtiss Road (3/8)** On-site inspection with updated site plan revised to January 4, 2023 provided site work is to resume.
3. **58 Mountain Lake Road (3/8)** Drive-by assessment of on-going landscaping project and re-grading that has been completed to get a sense of site conditions for anticipated application.
4. **358 Lake Road (3/8)** On-site "start card" inspection of lake dredging project. Updated plan from Matthew Vogt of New England received via email on 3/9.

WETLANDS RELATED INQUIRIES/ENFORCEMENT:

1. **183 Lake Road** - Owner has not submitted an application for disturbance to the wetlands. Construction debris and equipment remains. Enforcement letter forthcoming.
2. **Hopkins Road (Assessor's Map 03-02/02)**- Conversation w Jorge Criollo regarding setback of materials from the Brook at this property
3. **369 Lake Road (44, 03)**- Inquiries regarding past wetlands license and dock application.
4. **39 Arrowpoint Road** - Correspondence with property owner and attorney strongly suggesting new wetlands application for project proposal. WEO to conduct on-site to review site work vs wetlands approval with respects to tree removal.
