Dear Tim, Craig and Alex:

It has been an honor to have served as your town clerk for the past 16 years. The time has come for the next phase of my life, and I will be stepping down at the end of this year, December 31, 2021. As I will have vacation time left my last day in the office remains to be determined.

I will do my best to prepare my successor to step in, and I am happy to return on a consulting basis if that is needed and appropriate.

Sincerely,

Joanne Tiedmann
