

Town of Warren, First Selectman's Report

October 5, 2021

- **COVID-19 Virus and Vaccine Update** – Testing in Kent is now back online at the Kent Transfer Station on Mondays and Thursdays from 4-7pm. PCR test with results in 24-48 hours. See our Town Website for more information.
- **Vaccination Clinic at the Warren Community Center on September 29th 11am to 7pm**, was a success, thank you to everyone in the Community that came out for it. We are waiting to hear if there will be another clinic on October 20.
- **Town of Warren Housing Plan Forum and Ice Cream Social with Tour of Future Housing Site at Warren Town Hall Thursday September 16, at 6:30** was also very successful and we had a great number of people in attendance.
- **ARPA – American Rescue Plan Act Funding** – Discussion will continue over the next few months as to how we best allocate the \$200,000 we received, and \$200,000 more we will receive next year from the U.S Treasury. There are parameters we must comply to use the money. If you have questions, please don't hesitate to call my office.
- **Community "Work at the Woods" day at the Warren Woods Sunday October 10th from 9am to Noon.** – We have some hands-on projects that will take a few hours, and will make the park look better! Open to everyone in the community interested to give back a few hours of your time and spend some time outside with friends. If there are things you have noticed and would like to repair, please call me! C-860-866-6001 or Town Hall 860-868-7881.

For Vaccine information please call 2-1-1 or go to [Vaccines.gov](https://www.vaccines.gov)

For COVID Testing please call your health care provider, and or go to [warrenct.org](https://www.warrenct.org) for information for testing at the Kent Transfer Station.

Thank you! Tim Angevine, First Selectman, 860-868-7881 x 102
