

# Town of Warren

## First Selectman's Report

August 17, 2021

**COVID-19 Vaccine Update** – If you or a family member is eligible to get a vaccination, please do so. As of this time we still do not have a mask mandate in Town Hall or in Town Buildings. If in doubt and or you feel more comfortable, please wear a mask indoors. As always, please wear a mask indoors if you are NOT vaccinated, whether it is a Town Building, a Business, or a social gathering indoors.

For Vaccine information please call 2-1-1 or [Vaccines.gov](https://www.vaccines.gov)

**Region #6 Update** - Region #6 and the CEOs of Litchfield, Warren and Morris and Goshen are reviewing legal documents and State of CT Statutes in order to create the next move necessary to continue the discussion of ongoing cooperation and a possible merger of Region #6 and Litchfield schools.

**Town of Warren Housing Plan Forum and Ice Cream Social with Tour of Future Housing Site at Warren Town Hall September 16, at 6:30.** Come hear about the Draft Town of Warren Affordable Housing Plan and tour the site. Please see flyer on Town Website to RSVP for the Ice Cream! Go to Warren

**Bear Resistant Trash carts** – Due to high demand for Bear resistant trash cans, we are waiting on an order for more carts for Warren Town Beach and our Community Buildings. If you are interested in getting a Bear Cart, please call USA directly 1-800-998-2984. Thank you for your interest as we work to protect the bears from our trash.

**New Cleaning Company** – We are working with a new cleaning company called Tidy Up Cleaning and they are nearly done with all deep cleaning of buildings and Warren Woods. They are doing a fantastic job. Please say hello to Felicia and the rest of the team if you see them in passing.

**ARPA – American Rescue Plan Act Funding** - Discussions will be on going over the next few months as to how we will best allocate the \$200,000 we received and \$200,000 more we will receive next year from the U.S Treasury. There are parameters we must comply to use the money. If you have questions, please don't hesitate to call my office.

**Community Workday at the Warren Woods** – We will be hosting a workday at the Warren Woods to take care of some of the small repairs around the park. If you have skills, or no skills we would love to have you help. Date to be determined but aiming for one day over Columbus Day weekend.
