

What is the Warren Housing Plan?

The Warren Housing Plan Steering Committee has been working over the last year to develop the Warren Housing Plan and will present it for adoption at the Town Meeting on October 21st.

- The Plan suggests strategies that Warren can take over the next five years to address the housing needs of current and future residents.
- The Plan suggested strategies that would both address housing needs and preserve Warren's rural environment.
- Warren has only 1 housing unit that is monitored and maintained to remain affordable to households earning less than \$82,000 for a family of 4. This is the lowest number in any town in CT. The Housing Plan shows the need for more affordable housing units.
