Two upcoming events with social services.

The Narcan Training is HOSTED by the Wamogo wellness and prevention coalition ( a task force with warren, morris and goshen established to provide education, awareness and resources on alcohol, tobacco, opiates and other drug dependency concerns in our area) The training will be CONDUCTED by the western CT coalition via zoom. We will host people in person in the downstairs meeting room, social services will be providing coffee and donuts and distributing FREE Narcan Kits to ALL in attendance. We received these Narcan Kits from GREENWOODS Referral center in Litchfield CT. (please credit all these resources!) This training is open to everyone!

The second event is the Valentines drive thru! Hosted by Social Services and Warren Park and Rec and with the assistance of Terry Keith in organizing our give-away items. Feb 14 11:00-12:30 at the community center first come first serve, will be distributing small tokens of gratitude, brochures on warren social services programming, and in general good vibes, to warren residents. This program is simply created to connect community with our offices.

We CONTINUE to work with residents on their applications for CEAP. This is an income based federally funded state program to assist with winter heating costs- Please do not hesitate to call for an appointment or to see if you qualify.
