Dear Chairman Wasley Farm Property Committee,
Honorable Selectpersons and Citizens of Warren, Connecticut ;

My wife and I are interested in purchasing the adjoining property at 224 Cornwall Road, known as the Wasley Farm Property. We currently reside next door.

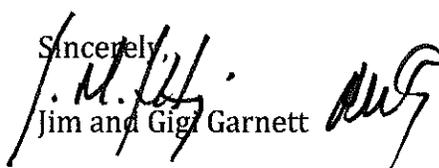

It would be our intention to maintain the property in a similar manner to it's current state. This would include the environmental and agricultural specifications in addition to the sole residential site.

We had the property professionally appraised with the permission of your prior First Selectman. We would be happy to share the document should you indicate a serious desire to pursue a sale of the property to us.

We would also be happy to join you at a committee or full town meeting to discuss this further and would welcome any of your representatives to visit our current property to get a better sense of our commitment to land conservation, maintenance and care.

Please let us know if our interest in the property is of interest to you.

Sincerely,

Jim and Gigi Garnett
